Our desks, featuring clean lines and integrated storage options, are designed to promote focus, adapting to professional contexts or remote work, always with a contemporary touch.

FR. Conçues pour des espaces de transition ou un usage personnel, les consoles, coiffeuses et bureaux sont des pièces discrètes qui apportent fonctionnalité et distinction à toute pièce. Les consoles se distinguent par la subtilité de leurs formes et sont idéales pour les entrées ou les couloirs, où l'utilité se combine à l'esthétique. Les coiffeuses, aux proportions équilibrées et aux finitions sophistiquées, créent des espaces intimes avec personnalité. Quant à nos bureaux, aux lignes épurées et aux solutions de rangement intégrées, ils ont été conçus pour favoriser la concentration, s'adaptant aux contextes professionnels ou au télétravail, toujours avec une touche contemporaine.

IT. Pensate per spazi di transizione o per uso personale, le consolle, i tavoli da trucco e le scrivanie sono pezzi discreti che aggiungono funzionalità e distinzione a qualsiasi ambiente. Le consolle si distinguono per la sottigliezza delle forme e sono ideali per ingressi o corridoi, dove utilità ed estetica si incontrano. I tavoli da trucco, con proporzioni equilibrate e finiture sofisticate, creano spazi intimi con personalità. Le nostre scrivanie, con linee pulite e opzioni di contenimento integrate, sono progettate per favorire la concentrazione, adattandosi a contesti professionali o al lavoro da remoto, sempre con un tocco contemporaneo.

DE. Für Übergangsräume oder den persönlichen Gebrauch konzipiert, sind Konsolen, Schminktische und Schreibtische dezente Möbelstücke, die jedem Raum Funktionalität und Stil verleihen. Konsolen zeichnen sich durch die Feinheit ihrer Formen aus und sind ideal für Eingänge oder Flure, wo Nutzen auf Ästhetik trifft. Schminktische mit ausgewogenen Proportionen und hochwertigen Oberflächen schaffen intime Räume mit Persönlichkeit. Unsere Schreibtische, mit klaren Linien und integrierten Stauraumlösungen, wurden entwickelt, um Konzentration zu fördern und passen sich sowohl professionellen Kontexten als auch dem Homeoffice an – stets mit einem zeitgemäßen Touch.
